The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for failure to persuade the Court of the need to remand at this time. Especially on stipulation of the parties, the trial court retains jurisdiction to correct the presentence investigation report and transmit a copy of the corrected report to the Department of Corrections. See MCR 7.208(C)(2) and MCR 7.208(A)(2). Pursuant to MCR 7.208(C)(2), the Court grants the trial court leave to correct the presentence investigation report notwithstanding the transmission of the trial court record to this Court. If defendant-appellant is granted the relief requested in the trial court, defendant-appellant shall file a copy of the corrected presentence report with the Clerk of this Court along with a stipulation to withdraw Issue III of defendant-appellant's brief on appeal.
